

CALVARY CHAPEL RIALTO CHRISTIAN SCHOOL

1391 W. Merrill Ave., Rialto, CA 92376 • (909) 820-9072 • fax (909) 820-7399 • school@ccrialto.org • www.ccrialto.com

Please follow the updated CDC guidelines (12/27/21):

If your child has tested positive for Covid-19: Isolate for 5 days from date of first symptom (Date of first symptom is day "0"). If symptoms are improving and no fever for 24 hours, student can return on day 6. From day 6-10 student must follow strict masking policy.

If your student has at least ONE symptom of Covid: Student should test to rule out Covid. Student may return to school upon negative test. Please keep in mind that normal school procedure (prior to Covid-19) requires students be free of fever and/or vomiting for 24 hours prior to their return to school even if they test negative for Covid-19.

If your student was exposed to someone who tested positive for Covid-19:

- Fully Vaccinated (No Symptoms): Student may attend school, test on day 5 from date of last exposure, follow masking policy for days 1-10 from date of last exposure.
- Not Fully Vaccinated (No Symptoms): 1.) Complete 5-day quarantine, test day 5 from date of last exposure, follow masking policy from day 6-10. Or, 2.) Student may complete a 10-day quarantine without testing.

If your student tested positive for Covid-19 during break and are in day 1-5, student should remain at home. Please notify the school office at (909)820-9072, so their absence can be excused.

If your student tested positive during break and is in day 6-10 of their isolation period, please notify the school office. If their symptoms are improving and they have been free of fever for 24 hours, they may attend school and will be required to adhere to the masking policy.
