Daycare During School COVID Closures

If CCRCs is required to transition to remote learning during the school year, **we will continue to provide childcare services Monday through Friday, from 6:00am to 6:00pm, for working parents.** Childcare will maintain groups of 12 students or less and CCRCs staff will assist students in completing their remote learning requirements. **Families will be charged the standard tuition, plus the appropriate childcare costs (see handbook).**

Prior to dropping off your child each day, please follow the "Safety Protocols" found on our website.
